DAY BY DAY

DAY 1 Arrive Kiruna

OVERNIGHT: KIRUNA

Welcome to Swedish Lapland! Arrive at Kiruna Airport and enjoy a comfortable transfer to your hotel. Settle in and take your first breath of the crisp Arctic air as you prepare for the snowy adventures ahead. Overnight in Kiruna.

Included Private transfer from Kiruna Airport to hotel on arrival.

Local taste A first dinner of renskav (fried reindeer) with lingonberries and mashed potato — the everyday Sami staple on almost every Kiruna menu.

DAY 2 Kiruna – Dog Sledding & Northern Lights

OVERNIGHT: KIRUNA

Begin your day with a serene dog sled ride through the snowy wilderness near Jukkasjärvi. Seated on reindeer skins, glide behind a team of huskies along frozen trails, guided by an experienced musher. After the ride, enjoy Swedish fika by the fire in a traditional tipi. In the evening, gear up for an exhilarating snowmobile ride in pursuit of the Northern Lights. After a safety briefing at the Laxforsen base, set off in pairs across remote Arctic terrain far from city lights. Stop to warm up by an open fire with sandwiches and hot drinks as you scan the skies for a glimpse of the aurora. A thrilling night under Lapland's stars. Overnight in Kiruna.

Included Return transfers included with the Dog Sled Adventure to and from the kennels.

Local taste A flask of hot lingonberry juice and a cinnamon bun (kanelbulle) at the kennels — the classic Swedish trail-break fika, even at -15°C.

Local experience Driving your own dog sled team through the silent, snow-bound forests of Swedish Lapland is one of the region's signature winter experiences.

DAY 5 Kiruna to Abisko

OVERNIGHT: ABISKO

After breakfast, check out and travel north through the Arctic landscape to the remote village of Abisko. Surrounded by mountains and wilderness, Abisko is one of the best places in the world to witness the Northern Lights. Settle into your new base and enjoy the quiet of Lapland's high north. Overnight in Abisko.

Included Private transfer from Kiruna to Abisko, approx. 100km along the E10.

DAY 6 Abisko National Park

OVERNIGHT: ABISKO

Begin your day with a gentle guided hike through Abisko National Park. Walk along frozen river canyons, through birch forests, and past panoramic views of Lake Torneträsk. Your expert guide shares stories of Sámi culture, wildlife tracking, and Arctic life as you explore 3–4km of scenic trails at a relaxed pace. In the evening, ascend Mt. Nuolja by chairlift to the legendary Aurora Sky Station—900m above sea level. From this remote, light-free vantage point, witness the stars above and, if luck is on your side, the Northern Lights dancing across the Arctic sky. Includes guide, lift tickets, warm clothing, and station access. Overnight in Abisko.

Local taste Warming up afterwards with Arctic char (fjällröding) fresh from Torneträsk's icy waters, a lake-country staple on Abisko menus.

Local experience The Aurora Sky Station sits above Abisko's tree line on Mount Nuolja, reached by chairlift, and is purpose-built for Northern Lights viewing.

DAY 3 Kiruna – ICEHOTEL & Jukkasjärvi

OVERNIGHT: KIRUNA

This morning, journey to the iconic ICEHOTEL and the historic village of Jukkasjärvi. Explore the stunning ice art exhibition at your own pace, then visit Sweden's northernmost church, dating back to 1607. Meet reindeer at the Nutti Sami Siida and learn about Sami culture and Kiruna's past from your local guide. A perfect mix of art, heritage, and Arctic tradition. Overnight in Kiruna.

Local taste The Icebar serves cocktails in glasses carved from river ice — the cloudberry (hjortron) liqueur, made from Lapland's prized Arctic berry, is the one to try.

Local experience The ICEHOTEL is the world's first and largest hotel built from ice, with artist-designed suites that are entirely rebuilt every winter.

DAY 4 Kiruna – Snowmobile Safari

OVERNIGHT: KIRUNA

Set out on a 6-hour snowmobile safari through the forests and mountains surrounding Kiruna. With your Sami guide, travel along scenic trails near the Kalix River in search of moose, reindeer, grouse, and other Arctic wildlife. Spot animal tracks in the snow and hear stories of traditional reindeer herding and life in the Sámi north. Enjoy a warming lunch of local Sami dishes before returning to town as the polar twilight settles in. Overnight in Kiruna.

Local taste Lunch is typically grilled over an open fire inside a lavvu, the traditional Sami tent — reindeer sausage and Arctic char are the usual fare on these wilderness stops.

DAY 7 Abisko at Leisure

OVERNIGHT: ABISKO

Enjoy a relaxed day at your own pace in Abisko. Explore the village, visit the national park on your own, or simply unwind and soak in the Arctic calm. Optional winter activities such as snowshoeing or cross-country skiing can be arranged locally. Overnight in Abisko.

DAY 8 Depart Kiruna

DEPARTURE DAY

Check out and enjoy a scenic transfer back to Kiruna Airport. Bid farewell to Swedish Lapland, taking with you memories of snow-covered forests, Arctic skies, and the silence of the far north.
